

ENVIRONMENT

Food & the earth are precious. We need to produce, share, & eat food in ways that protect the environment & our future.

SOCIAL JUSTICE

We all need to eat. Everyone deserves food that they need & enjoy. We should be able to produce, prepare, & access food safely & with dignity.

KEY PRINCIPLES: to create a just & sustainable food system

LOCAL ECONOMY

Supporting local farmers, fishers, & producers is an essential. Local food strengthens our communities & helps us adapt to changes in our world.

HEALTH & WELL-BEING

Food is crucial for health & well-being, it nourishes & connects us. Communities must be supported & empowered to make it easy to grow, get, eat, & share good food.

CELEBRATION

Food brings people together. It helps us celebrate our cultures & traditions, to learn more about each other.

VISION

The Halifax Region:

Where no one is hungry & everyone has access to healthy food that they enjoy.

Food and people are celebrated, the local economy is strong, and the environment is protected for generations to come.
